

## **Teams of Four Bridge – come and try.....?**

**Many of you come to the club regularly but only ever play 'pairs' bridge. (MPs)**

**Why not come along to our sessions to find out what playing 'teams' is all about? (IMPs)**

**Thursday evenings 7pm September 29<sup>th</sup>, October 27<sup>th</sup> and November 24<sup>th</sup>. £3 table money.**

**Maggie Pierce and David McAndrew will be hosting three evenings. We will cover the differences in scoring and technique. The plan is to have a short talk at 7pm. It would help if you turn up as a pair? We will then put you into teams and play a sixteen board match (changing opponents after 8 boards). Then (after replenishing cups/glasses) to go through the hands – a 'chuck analysis'. These sessions will be interactive and we hope to take advantage of the many International players we have to come and help/play/join us.**

**This a new venture and we will 'see how we go'! Maybe we will have a new league? We will point you into events you can enter also how to set up matches – F2F or online. Any ideas welcome.**

**Bring a pen!!**
