

New offering for Social Bridge

Just £8 (covers all 4 players)

During the Covid pandemic, many of you will have played Bridge socially on-line with family/friends. For most, this will have been a mixture of using a Bridge platform but also having to a video conferencing platform as well.

Then came RealBridge, a Bridge platform with video to produce a friendly, social, almost club-like atmosphere. However, RealBridge is managed through Bridge Clubs.

Now, Cardiff Bridge Club can offer you a session of up to 20 boards on Realbridge for you and three family/friends, at a time of your choosing!

(But please do not clash with our regular sessions).

Features:

- No Tournament Director.
- One round, already started.

How it works:

- The Event Organiser emails Brian.Quinlan@hotmail.com, giving **at least 24 hours notice** the following:
 - Date and Start time of the event.
 - The Event name (e.g. Brian's social game)
 - Number of boards to be played in the event (maximum 20).
- A RealBridge session and a SpadeTickets event are then set up.
- On receiving confirmation that the above have been set up, the Organiser purchases the event on <https://spadetickets.com/penylan/> which will provide the RealBridge link.
- The Organiser is then responsible for emailing the RealBridge link to the other players and resolving payment between the players.
- At your chosen time, you simply follow the link, log-in to RealBridge and start to play.
