

Two Teams of Four on RealBridge

Just £16 (covers all 8 players)

Cardiff Bridge Club offer a service to set up Teams of Four sessions on RealBridge,
at a time of your choosing!

(But please do not clash with our regular sessions).

Features:

- No Tournament Director.
- Captains can start the match.
- Round 2 starts automatically with seating changes made.

How it works:

- The Home Team Captain emails brian.quinlan@hotmail.com the following, giving **at least 24 hours notice**:
 - Date and Start time of the match.
 - The Event name (e.g. Team A v Team B)
 - Names of both Captains.
(Note this should be exactly how they are entered on the RealBridge sign-on screen).
 - Number of boards to be played in the match (maximum 24).
- A RealBridge session and a SpadeTickets event are then set up.
- On receiving confirmation that the above have been set up, the Home Team Captain purchases the event on <https://spadetickets.com/penylan/> which will provide the RealBridge link to the match.
- The Home Team Captain is then responsible for emailing the RealBridge link to the other players and resolving payment between the two teams.
