

8 is Enough is back! Put December 18 on your calendar and sign up for our first 8 is Enough game. Here's how the game works:

- You sign up at the club as an A player, 1000 or more points, a B player, 300 – 1000 points, or as a C player, 0 – 300 points.
- A signup sheet will be posted on the bulletin board.
- The game coordinator will put the teams together with no more than one A player per team so that the teams are evenly matched.
- You check the website to find your team and you show up on time.

Since these are team games you commit to be there when you sign up, so put it on your calendar!

8 is Enough has been a popular and fun game, AND, the master points are pretty nice!
