Castle Cary Bridge Club

Annual report

for the year ended 30th September 2026

Address

The Club Committee holds its regular meetings either at 6 Park Place, Castle Cary, BA7 7EG or at Caryford Hall, Castle Cary.

Bridge sessions are held at Caryford Hall on Thursday evenings and an on-line (Realbridge) Bridge session is held in conjunction with Sherborne Bridge Club on Wednesday evenings.

Committee members

Members of the Committee who served during the year were:

Belinda Simson (Chair)
Margaret Bebbington (Secretary)
Charles Hallows (Treasurer)
Ian Dowler
Jules Goddard

Bankers

The Club holds a bank account with Metro Bank. The Club also holds an account with SumUp Payments Ltd to facilitate card transactions for members.

Governance and management

The Club agreed an updated Constitution in November 2024, and, under that Constitution, the Club is managed by the Committee and members of the committee are elected each year at the Club's Annual General Meeting. The Committee has the power to co-opt members to fill any causal vacancies.

The Club does not operate with the objective of generating a surplus, and the Committee reviews the financial position and full year projections at each meeting.

The Club has a long-term target for General Reserves of be maintained between £800 and £1,200. The Club also holds an Equipment Replacement Reserve to ensure there are sufficient funds available to cover the cost of replacing essential equipment when required. The annual contribution to this Reserve is reviewed each year and is currently £700.

Aims and objectives

The objectives of the Club are to provide facilities to play Bridge and to promote the game of Contract Bridge. We aim to provide friendly but competitive bridge that gives every player the opportunity to enjoy the game. Our host system for our Thursday evening sessions ensures that everyone who comes to play Bridge is assured of a game.

Chairman's Review

We have run 49 (2025: 51) Thursday evening Bridge sessions with an average attendance of 18.2 (2025: 18.9) players.

The On-line bridge sessions run in conjunction with Sherborne Bridge Club continues to be well supported, with 51 (2025: 51) sessions run in the year and an average attendance was slightly higher at 33.5 (2025: 33.1) players. The surplus generated from the on-line bridge sessions is divided equally between Castle Cary and Sherborne Bridge Clubs. In the financial year, the Club's share of the surplus was £819.88 (2025: £844.08). We are grateful for the work of Barry Blight and Alan Atkinson for their contribution to running the on-line Bridge sessions.

The Galhampton Club (Wednesday afternoon) run by Barry and Meg Blight continues to be supported by members and provides a useful development opportunity for new and potential members to develop their game. We have welcomed a number of new players that have come from Galhampton and need to continue to try and make ourselves more accessible so that we encourage even more new members in the future.

In August we ran an inaugural "Millican Cup" event in memory of Michael Millican, the Club's founding Chairman, who sadly passed away this year. This was well supported with 10 tables from Castle Cary and Galhampton playing a Swiss Pairs competition. Congratulations to the winning pair, Sue Johnson and Richard Holmes

The Club continues to be represented in the Somerset County League with teams organised by Sue Johnson. The "A" team finished 7th in Division 2 whilst the "B" team finished 5th in Division 3. Fortunately, the "A" team have avoided relegation as a result of a League restructuring and the "B" team remains in Division 3 for the forthcoming year. Our thanks go to Sue Johnson for the work that she has done organising the League teams over the years. She has now stepped down from this role, and we are grateful that Chris Archer and Ian Dowler have stepped up to take responsibility for the "A" and "B" teams respectively.

The Committee have continued to work throughout the year to ensure that everything runs as smoothly as possible.

The Club continues to use its resources to invest in the future. With the support of the Club, Ian Dowler has run a series of teaching sessions at Galhampton to help players improve their bridge knowledge and skills and to encourage new players into the Club.

On behalf of the committee:

Belinda Simson
Chair

Castle Cary Bridge Club
Independent Review Statement
for the year ended 30th September 2026

Respective responsibilities of the Committee and Independent Examiner

The Club's Committee is responsible for the preparation of the accounts and to make those available for review by the Independent Examiner. It is the independent Examiners responsibility to examine those accounts and to state whether particular matters have come to their attention through their review.

Basis of Independent Review

The Independent Review includes a review of the accounting records kept by the club and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Treasurer on behalf of the committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

These financial statements are prepared on an Income and Expenditure basis and summarise the income received, and expenditures made during the financial year. The statement is prepared on an accrual basis, such that all income and expenditure for the accounting year are considered, regardless of whether they have been paid or received.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records and to prepare accounts which accord with the accounting records have not been met.

Notes to the accounts
for the year ended 30th September 2026

Basis of Accounts

These financial statements are prepared on an income and Expenditure basis and summarise the income received, and expenditures made during the financial year. The statement is prepared on an accrual basis, such that all income and expenditure for the accounting year are considered, regardless of whether they have been paid or received.

Explanatory notes are below:

1. On-Line Bridge

The Wednesday evening on-line bridge sessions are run as a 50:50 joint venture between Castle Cary Bridge Club and Sherborne Bridge Club. Any surplus is shared equally between the two clubs and is paid each quarter. Results are recorded with the EBU under the Club's membership and the accounts above reflect the share of surplus plus EBU UMS charges recharged by the Club.

The Income and Expenditure Statement and Balance Sheet for the On-line Bridge is shown below for information.
