In 2025 there is a group of twelve (12) 5<sup>th</sup> Year students and Two teachers from St Vincent's Castleknock College travelling to Matisi, Kenya to take part in an immersion project where they will live with a Vincentian community and teach English & Maths in a local school. Any money raised will make a significant contribution to improving the school in Matisi. Please note that "Kathleen's" grandson Adam Cunningham is one of the students going over to teach. Adam is also a member of the Cunningham Family who have been supporting local bridge over the last 30+ years
