

BRIDGE CLASSES FOR BEGINNERS

If you (or someone you know), are looking for a new hobby or activity or have ever played cards (Spades, Euchre, Canasta, Uno) or have been thinking of learning Bridge – we might have the perfect solution for you!

Come out, learn how to play bridge. Meet other like-minded people. Make friends. Start playing and enjoying a new game that stimulates the brain cells.

Introduction to Bridge has been designed by the ACBL, the chief governing body for Bridge in North America and Mexico. It is designed to equip players with a starting framework from which to build and refine their game.

Antara Keelor, your instructor, is a trained, professional teacher with ACBL Best Practices Accreditation. She enjoys the game herself and makes learning simple, clear and fun.

There will be 10, 2-hour classes covering the basics below. Each class is designed with 1/3rd instruction and 2/3rd interactive activities and play.

No previous knowledge or Bridge play experience is required.

Cost for the 10-week lessons is \$200. This includes the Student Manual Workbook and a digital copy of the classroom slides.

Timing and duration of classes is 10:30am-12:30pm; Sunday, Oct 6th – Sunday, December 8th
