- Colin will ensure members are notified by email at least 2 weeks in advance

Club Equipment

Denis is still storing some tables belonging to the club, and now needs to reclaim the space they occupy. The tables are old and in need of attention before they could be used again. The committee agreed to ask at the AGM for suggestions from members for any potential use, or charity which could make use of them.

The current Club equipment is in storage at Hamptons, in anticipation of resuming Monday face to face sessions. However, since there are no current plans to resume play at Hamptons, the committee agreed that we should find an alternative location for storage. Cath will visit Hamptons to determine the details of the storage space required.

Charity Evenings

Valdie has agreed with the Millennium Centre to book the large hall on the 2nd Friday of each month until further notice for the Club Charity events. The programme of benefitting charities has been arranged until July. We will seek further suggestions for suitable charities from members at the AGM. Denis agreed to store and bring along the refreshments for the next events.
