

For the 12th year,
CBC held its
annual bridge
holiday in
Bournemouth,
staying in the
Miramar Hotel.

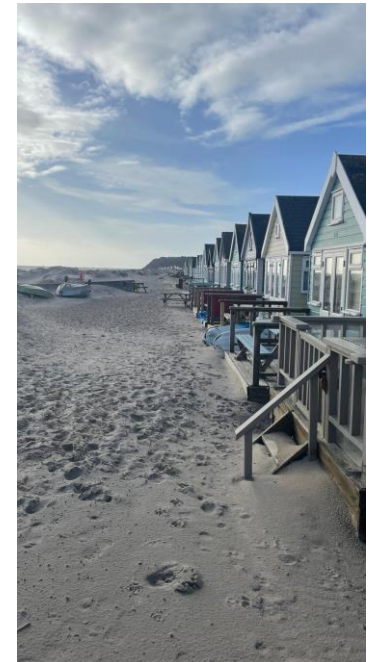

The Miramar is a
traditional, family
run hotel – the staff
are excellent, rooms
are very
comfortable and
the food good.

THE BOURNEMOUTH HOLIDAY 2024

Every morning Martin led a discussion on the previous night's hands. This is a great way to chat through the hands and discuss bridge in a relaxed and informal way.

The programme enables you to 'do your own thing' so there is time for sightseeing, lunch by the sea (good café right on the beach in Bournemouth), or go on a bus trip to Sandbanks, Poole or further afield.

DAYS OUT

The local bus leaves from close to the hotel and runs along the coastline to Poole to the West and Christchurch to the east – and beyond. This year Hengistbury Head was a popular trip.

THE BRIDGE

Bridge was played twice a day – both sessions were voluntary. Master points and prizes could be won at all sessions.

The hotel provided a very comfortable playing room.

Many players came alone and there are always plenty of opportunities to find partners.

The atmosphere was extremely friendly with a competitive edge!

THE ORGANISERS

We would like to thank all
of those who made the
holiday such fun and go so
smoothly. We sincerely
hope you all enjoyed the
mini break..

UNTIL 2025...

The hotel will announce their 2025 prices in June.

We will contact those who joined us this year to see if they wish to return and after a month, we will email all club members letting them know of availability.

This year a significant number of people, on the waiting list, either came on the holiday or were contacted as vacancies arose. Every year there are some returners but also a number of new faces.

We will inform all club members, in advance, of when the email will be sent opening up the rest of the rooms – so if you are keen to come, please watch out for the correspondence in June/July.

Any queries to Nicola & Martin Renshaw or Neil Smith & Mark Giard. Thank you.
