Missing Face to Face talks with Club members?

If you would like to have a zoom meeting with me please email me as above and I will sort out a zoom meeting. Sometimes it's easier to talk than to write emails.

And finally,

If like me you have had a slow week this week, I think that is just where we are all at.

Keep smiling and playing bridge

Roger Miles

Thank you, Roger, for the four sterling years of work you gave to the Club as membership secretary. I would also like to thank you for the sound advice gave to me as chairman at times. The Committee valued your contribution.

We hope to meet face to face as soon as we can open the Club.

Messages from our members

I received this email from **Betty Harris** and I thought you might enjoy it:

I was in the 'Casual play' area this morning and chose to watch an 'interesting table'. And so it turned out to be.....
2 partners, very slow, were obviously very good friends or bitter enemies.....well, if they weren't before the game they likely became so!
They were commenting on each other's play as they went along.....the ops commenting at one stage 'Tyger (S) you talking too much you too slow'. Tyger was particularly acerbic! asking his partner.... 'why u r asleep?''.you play the h not the c', and so on and so on. Eventually even long suffering N had had enough.
'1 more patronising comment u can shove the deck in an appropriate hole in ur body.' I fell about laughing!
Can you imagine the reaction at CBC.'DIRECTOR !'
I hope I haven't offended anyone but I just had to 'share the moment'
Hope you are all well
Betty xx

Information from Jon Hill

John wondered if members realised that they can fill in a convention card on their profile and if they play with different partners, they can fill in a different card for each partner.

When I am playing, I type a brief outline of the system e.g. weak NT, 2 weak 2s etc as well as a hello from Ro and and copy and paste it to table chat each time a new pair comes to the table.

Trevor Howard has become an on line visitor and we welcome him. When Steve asked Trevor for some details about himself this is what he wrote:

Hi Steve, I used to be a member of Maidstone CS Bridge Club, but that was 1976-83.

I now live in Churchdown and have started playing online once again during lockdown (approx. 100+ logons). Should you wish to know more about me, I suggest you refer to one of your Committee Members.

Mr PW Swales will (I hope testify that I am a scoundrel, blaggard and generally untrustworthy person because I sat next to him at work for years) Should he utter otherwise, I suggest he is removed from the committee.

Should Mr Dave Simpson still be in the club, his testimony is to be disputed because he played cricket under my captaincy for years.

Please accept this with the jollity sent after working with the reprobates for years.

Best wishes Trevor
