## Pat Burrows our new librarian writes:

Just a reminder that we have a large number of bridge books covering every level on our two sets of bookshelves in the room adjacent to the coffee room. These are available to all members to borrow and take home for a week or two on an honour system. There will also be a few library books in the bridge rooms for you to look at and borrow if you wish if you are sitting out.

We realise that the books are somewhat inaccessible where they are but they are a valuable resource and we are looking for a solution. Please tell us if you have a good idea!

If you have magazines you would like to donate to the library please let me know. [Patricia.f.burrows@gmail.com](mailto:Patricia.f.burrows@gmail.com)

## Thank you to Carole Foulkes

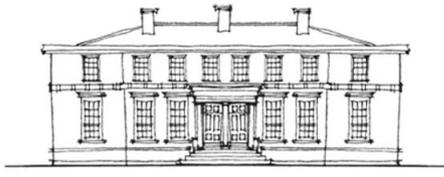

Carole has been a lead director at the Club for several years. She has arranged the Monday and Thursday afternoon teams of directors as well as being a standby director when people have been away. Carole is stepping down from this role now and we thank her for all her hard work.

### Gentle reminder to all members.

**Please be aware of members of the Club who have allergies to perfumes and aftershaves.**

**Think twice before using these items when you come to the Club**

### Can you spare an hour to help?

The Club relies on volunteers and at the moment we need volunteers to help with cashiering at sessions, putting up shelves and helping Peter Swales with routine maintenance tasks. We are keen to train more directors and scorers and if your area of expertise is publicity or printing we would love to hear from you. If you could do any of these (including writing the newsletter) please email me ([rokaye@hotmail.com](mailto:rokaye@hotmail.com)) or see a Committee member. Thank you.
