**THANK YOU FOR YOUR DONATION TO STREET CHILD  
ENSURING CHILDREN ARE SAFE, IN SCHOOL AND LEARNING.**

Dear Elizabeth,

I am writing on behalf of everyone at Street Child to thank you for hosting a charity bridge and afternoon tea event in aid of Street Child and raising a staggering £1,626. We are extremely grateful for your support of Street Child's vital work.

With your support, you are helping Street Child in its pledge to make a meaningful, material impact on the safety, schooling and learning of a million children living in low-resource environments and emergencies, through our immediate interventions with our partners; and contribute to the safety, schooling and learning of millions more children through our advocacy and active initiatives to advance local level action.

Your donation will provide children with learning materials, school uniforms and dignity kits to ensure they can return to the classroom; provide remote-based learning methods for those who have not been able to return; and provide families with livelihood support. This is crucial to ensuring that children are safe, in school and learning – even, and especially, in low-resource environments and emergencies.
