

Aspirational Tournament Players

These sessions are designed to prepare you for playing beyond the bridge club whether it be in a congress, playing for the county or in an EBU event. It is for those who would enjoy the challenge of thinking about their bridge more deeply.

Each session will comprise a presentation on a topic of bidding where regular tournament players handle things differently from many club players, followed by a short tea break and then we will play and discuss up to eight hands, in which the emphasis will be on card play. These sessions will be run by Patrick.

The sessions will be from 1900 hrs until 2130 hrs and the fee is £12 per session. Each session will be capped at 20 players.

21 September	Pre-empting style and getting into the auction	Patrick
16 November	Checkback	Patrick
18 January	Lebensohl	Patrick
21 March	When the opponents use transfers over 1C....	Patrick

What Next?

If you would like to sign up, please contact Nicola on nicola_renshaw@hotmail.com.

She will add your name to the list and once a session becomes viable, you will be asked for payment. A decision will be made at least 2 weeks before the session whether it will run. If your circumstances change, please let Nicola know.

Once it is confirmed a session is viable, then payment will be required to secure your place. Refunds will not be given if you find you are unable to come – unless you or Nicola finds somebody else to take your place.
