

Tweak to Transform – Seminars and Play and Discuss

We ran a series of Seminars and Play and Discuss sessions in 2022 – 23 and they were very well received and attended - so we have decided to run some more.

Seminars

Topics selected are those that the team feel make a real difference to your results. There will be a focus on the things you are guaranteed to do every single session you play – so there is special attention given to card play – both as defender and as declarer. The format will be similar to last year where you will receive notes, there will be teacher input and then time to try out some new ideas and consolidate.

Course fee £12 to include tea and coffee

Play and Discuss

There will also be a programme of Play and Discuss – in the same format as last year, although there might be a couple of tweaks on occasions!

The sessions will be relaxed where discussion of hands will be encouraged.

Course fee £6 to include tea and coffee.

All these events are on Fridays and run 10-12:15.

Sessions are capped at 20 people.

What Next?

If you would like to sign up, please contact Nicola on nicola_renshaw@hotmail.com .

She will add your name to the list and once a session becomes viable, you will be asked for payment. A decision will be made at least 2 weeks before the session whether it will run. If your circumstances change, please let Nicola know.

Once it is confirmed a session is viable, then payment will be required to secure your place. Refunds will not be given if you find you are unable to come – unless you or Nicola finds somebody else to take your place.
