

CHEPSTOW ARCHWAY BRIDGE CLUB

NEWSLETTER AUGUST 2019

As I hope you all know, the old web site is being taken down this weekend. The new web site is fully operational now and we hope you are enjoying using it. Many thanks to Pete Taylor for his hard work in making this happen. Let us know if you have any problems with the new site.

We have been planning some training in response to the excellent public meeting in July.

Graham and I will be running a beginners course on Wednesday for 11 weeks, starting 2nd October. Leaflets and flyers are being printed, and will be available at the club soon. Do let any friends who might be interested know.

Ray Mardon will be starting some pre play improvers intermediate seminars in October. They will start at 6pm and we will ask for £1 contribution to cover rent and teaching materials.

I am exploring holding a two hour no fears supervised play session on Thursday afternoons in the New Year. More details to follow nearer the time.

Lastly we want to ask for motions for the AGM in plenty of time. They need to be in at the latest by 7th October, but preferably by 1st October for the Committee Meeting.

Also please let us know if anyone is interested in joining us on the Committee, we would love to have you!

Sheila
