

BRIDGE CLASSES ARE BACK AT THE CLUB

Chichester Bridge Club is pleased to announce the resumption of face-to-face bridge classes in September. The following courses will be running in September, provided they are viable:

Beginners Continuation Class

Starting 16 September 2021

Thursday at 4.00 pm – 6.00 pm

Half-term break 28 October 2021

Course Tutor: Thea Sydenham

This class started in November 2020 with online lessons and has covered the basic bidding theory. However, circumstances did not allow for much card playing practice. The schedule for this group is therefore to revise bidding sequences and provide ample opportunity to put the theory into practice during the autumn term, before moving on to new bidding conventions and more advanced card play.

The course is based on the English Bridge union Book Beginning Bridge, which teaches the standard ACOL system. Books can be obtained directly from the EBU or from the tutor.

The autumn term consists of 12x2-hour lessons. Course fee: £120.00

Continuation Class - Year 2/3

Starting 15 September 2021

Wednesday at 7.00 pm – 9.00 pm

Half-term break 27 October 2021

Course Tutor: Thea Sydenham

This is a continuation class, which has covered most of the basic bidding system and card play and is moving on to more advanced bidding and card play during the term, with constant revision of topics covered previously. The course uses the EBU book "Continuing Bridge Book Two" and other materials. The emphasis at the start of the term will be on revision and card play.

The autumn term consists of 12x2-hour lessons. Course fee: £120.00

Course Tutor: Thea Sydenham. For further information please contact Thea on 01243 776540 / 07740 864625 or email Thea.Sydenham@gmail.com.
