Present:

David Lynch	Chair
Louise Keeling	Treasurer
Perry Poole	Secretary
Harold Grouse	Tournament Director
Members x 33	

Apologies were received from Bren Prosser.

Chair's Report

David thanked the committee for their support over the past twelve months, some of which have been negatively impacted by Covid and the difficulties arising from using the CCA. As a result of the latter, we have moved to MidGlos Bowls Club which appears to be successful. Congratulations to Alan and Louise on qualifying as Tournament Directors which should reduce our reliance on Harold!

TD's Report

In the past twelve months there has been an average of 7 ½ tables each week, which is in line with our normal attendance. Harold gave thanks to Alan for organising the Bridgemates and to all the members who helped to organise the sessions. Slow play is still an issue. Please try to play a little faster! It's not fair to all for a board to be taken away. Looking to the future, we now have Alan and Louise as Directors so the role will be shared. We have quite a few books available and little storage so does anybody want any of them? And finally, would we like to take part in the "Children in Need" afternoon on Monday 7th November? A majority of members voted for this so Harold will contact the organisers and let them know.

Treasurer's Report

Louise produced the accounts, which had been verified by Roger Coates, showing an income of £3022.32 and outgoings of £4750.34, including the purchase of Bridgemates, leaving a balance of £133.41. She thanked Alan for organising our website, which is now more effective and less expensive.
