

Hi there,

Paul Porteous asked me to share the following with you.

Dan,

1. I would like to confirm that we have established an Online Ethics Committee whose members will review any material submitted in support of complaints of Cheating. Please remind your members – again – that cheating will be dealt with severely if proven.

2. IBU Club Pairs on BBO 8 May 2021 - Masters

2 sessions starting at 13.00 – Entry Fee BBO\$10 per player

\*\*\*\*\*

IBU Club Pairs on BBO 15 May 2021 – Intermediate A, Intermediate B & Novice Players

2 sessions starting at 13.00 – Entry Fee BBO\$10 per player

All are welcome and if intending to participate, they should register with [competitions.cbai.ie](http://competitions.cbai.ie) as soon as possible.

3. Do encourage your players to try the daily CBAI Funbridge tournament, from which Master Points will be awarded. CBAI is included under Federation Tournaments and you might need to refresh to have it appear – it's the very last one! Any of your players who register with Funbridge should include their NBID, so that we can correctly allocate the points. We are in the process of adjusting the calculation of our Master Points, so players should see a greater reward for their efforts.

Kind regards – and stay well!

Paul
