

C&NWBC - Cashless Table Money

Overview/Summary

Whether you are playing in person, or online, your payment for the session will be handled electronically.

The preferred method is advance payments via an ad hoc bank transfer or a regular standing order to the bridge club account. Alternative methods of payment can be arranged with the Hon Treasurer if necessary.

C&NWBC uses BridgeWebs to record participation in games of bridge, which then results in deductions from your C&NWBC account balance.

Visitors will need to contact the club treasurer in advance of their first visit to set up and credit their visitor account. You will need to agree your payment reference to allow us to match payments received to sessions played. Visitors will not be able to monitor their own account balance, but may contact the Treasurer if they wish to check this.

We want to make payments and deductions as easy as possible, allowing us to concentrate on playing bridge. But if you have a problem or difficulty with our cashless payments, please let us know.

Playing RealBridge

Members, when you log into a session please enter your First and Last name and your EBU number. Visitors please use your agreed username and your EBU number if you have one.

Table money will be charged to your account. With effect from 1st May 2023 the charge is £2.50 for members and £3 for visitors. The results will be uploaded to BridgeWebs and the EBU.

Playing face to face bridge

When the results of a session are uploaded to BridgeWebs your table money will be deducted from your account balance. The charges for a regular duplicate session are currently £3.50 for members, £5 for visitors and £1 for student members in full time education.

Payments should be made in advance, preferably to cover the charges for a month ahead, any remaining credit at the end of the month will be carried over to the next month. Visitors need to have sufficient credit to play. Any unused credit balance will be refunded on request to the Treasurer.

Paying for another player

If your payment covers yourself and your partner then please inform the Treasurer so that the adjustment can be made

Method of payment

The preferred method of making payment is by bank transfer using online or telephone banking.
Please make payment to:

Coventry & North Warwickshire Bridge Club

Sort Code	60-07-40
Account Number	50 56 46 76
Reference	Xxxxxx Xxxxxx

(First name, space, Last name up to 18 characters)

Payment by cheque

Not everyone has access to online banking. If this is the case, please contact the Treasurer to arrange an alternative method of payment.

Notification if your account is overdrawn

The Treasurer will email you via BridgeWebs if your account becomes overdrawn.

Checking your balance

Members can check their account balance at any time by going to [BridgeWebs](#)

Log in to the 'Members' section (accessed from the menu on the left-hand side of the homepage) with your email address and password, then click on the 'A/C Payments' tab. If you have lost your password you can request a new one.

Your statement will show your current balance and a breakdown of charges/credits on your account. Previous months can be accessed via the 'Choose From Period' drop-down menu.

What can go wrong?

Our billing works by matching your name to sessions played and payments made. If you do not enter your name correctly when playing a RealBridge session, or if you change the format on your bank transfer reference then it causes a problem for the administration. If for example you enter 'Mike' or 'Sandra' without your surname, or even not using upper case letters for the first letter of your first name and surname, it will cause a discrepancy to reconcile. So please enter your name with care.

Contact Details

Any queries please contact the Hon Treasurer Jan Wade on 07759138272 or email janice.wade@btopenworld.com
