

How to bookmark the BBOtoXML Web App

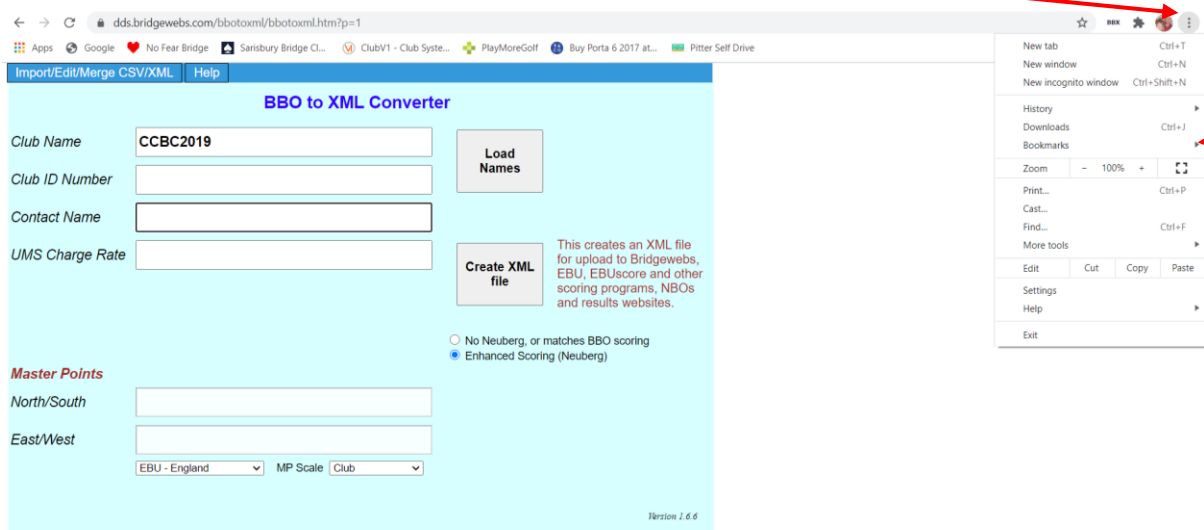

1. Type 'bbotoxml' in the Google search bar. Click on the following link:

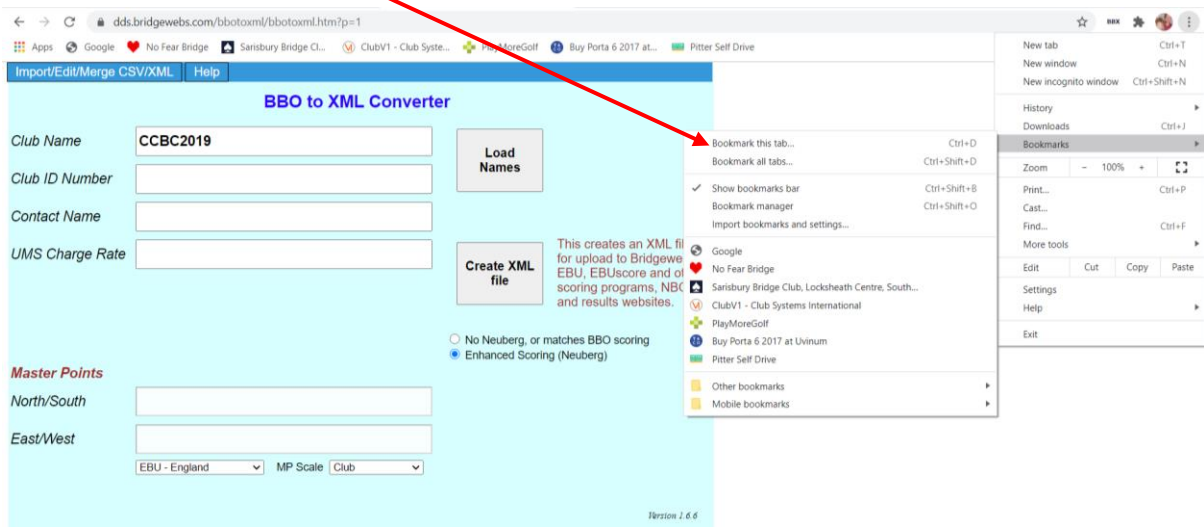

2. The window below will appear.

A screenshot of the 'BBO to XML Converter' web application. The page has a light blue background and a white header with the title 'BBO to XML Converter'. On the left, there are input fields for 'Club Name' (containing 'CCBC2019'), 'Club ID Number', 'Contact Name', and 'UMS Charge Rate'. Below these is a section for 'Master Points' with fields for 'North/South' and 'East/West', and two dropdown menus for 'EBU - England' and 'MP Scale'. On the right, there are two buttons: 'Load Names' and 'Create XML file'. Below the 'Create XML file' button, there is a text box explaining that it creates an XML file for upload to Bridgewebs, EBU, EBUscore, and other scoring programs. Below this text box are two radio buttons: 'No Neuberg, or matches BBO scoring' and 'Enhanced Scoring (Neuberg)'. The 'Enhanced Scoring (Neuberg)' option is selected. At the bottom right, it says 'Version 1.6.6'.

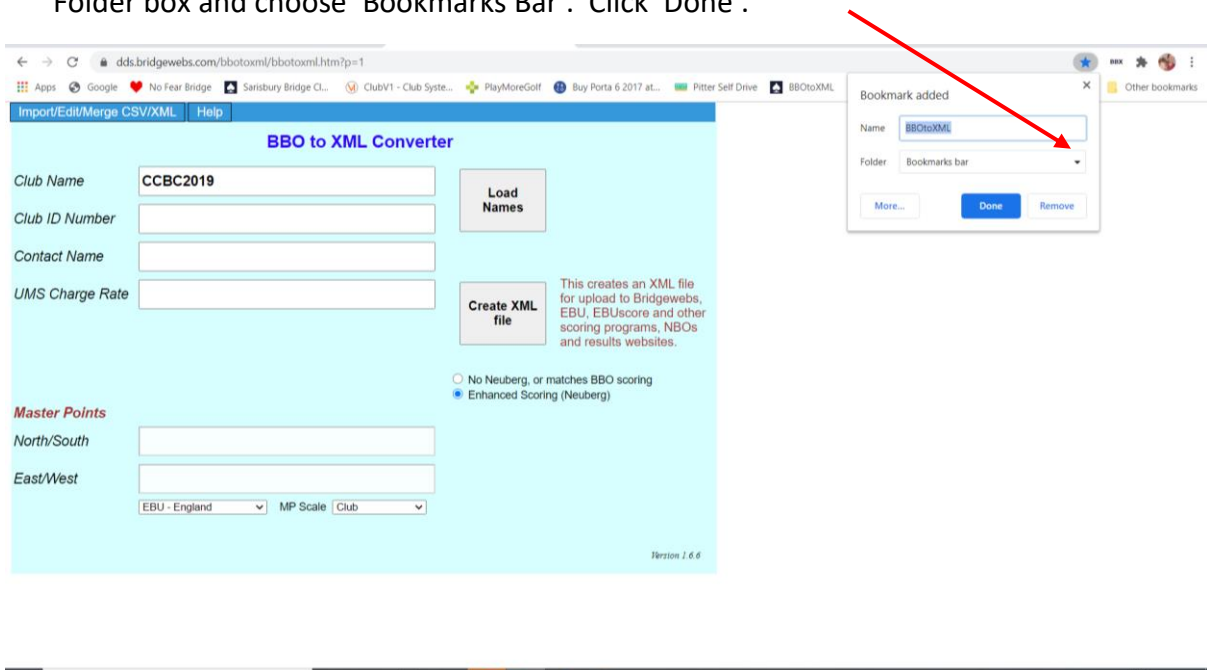

3. Click on the 3 vertical dots on the top RHS of the screen and the following menu will appear. Roll the cursor over the word 'Bookmarks'.

4. Click on 'Bookmark this tab...'

5. When the Edit Bookmark window appears, click on the down arrow to the right of the Folder box and choose 'Bookmarks Bar'. Click 'Done'.

6. To use the BBotoXML Web App just click on it in the browser.
