

How to Register for a BBO Tournament on an iPad... NB THIS WILL ONLY WORK FOR THE TWO HOURS BEFORE THE TOURNAMENT STARTS

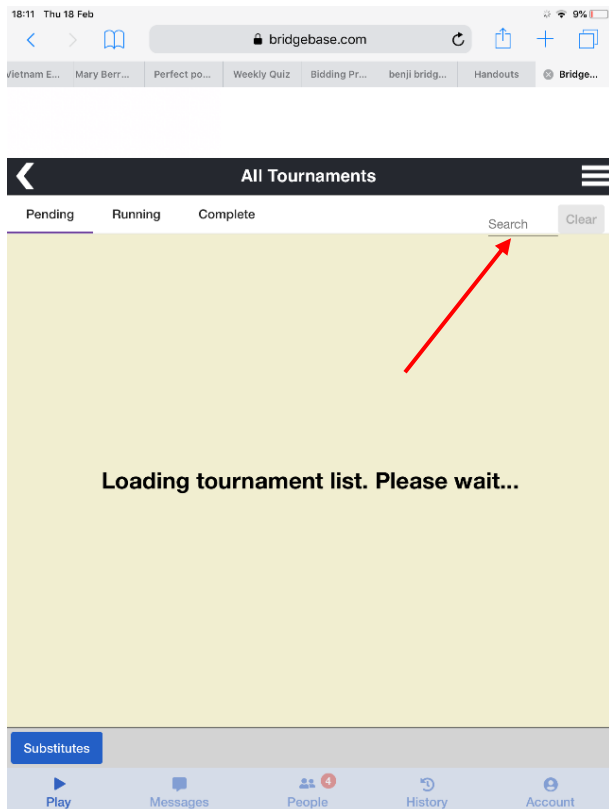

1. Log in and select Competitive.

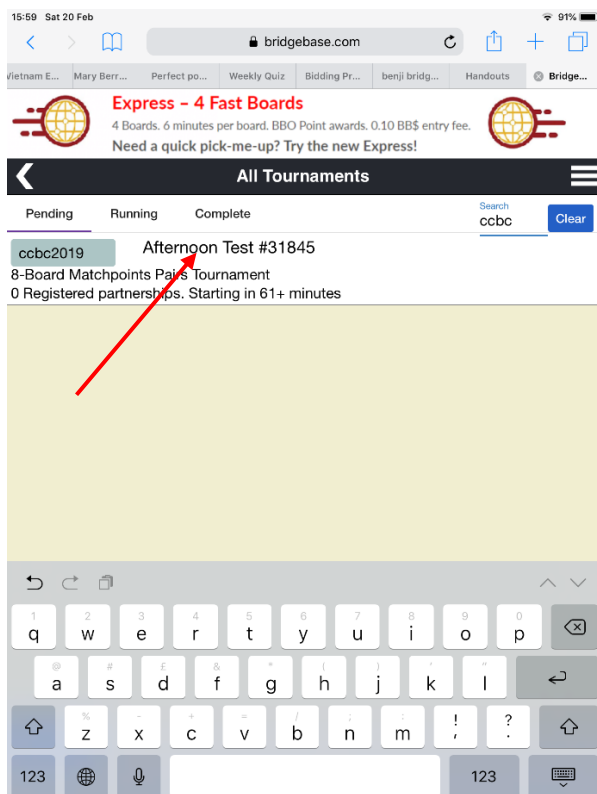

2. Select All Tournaments

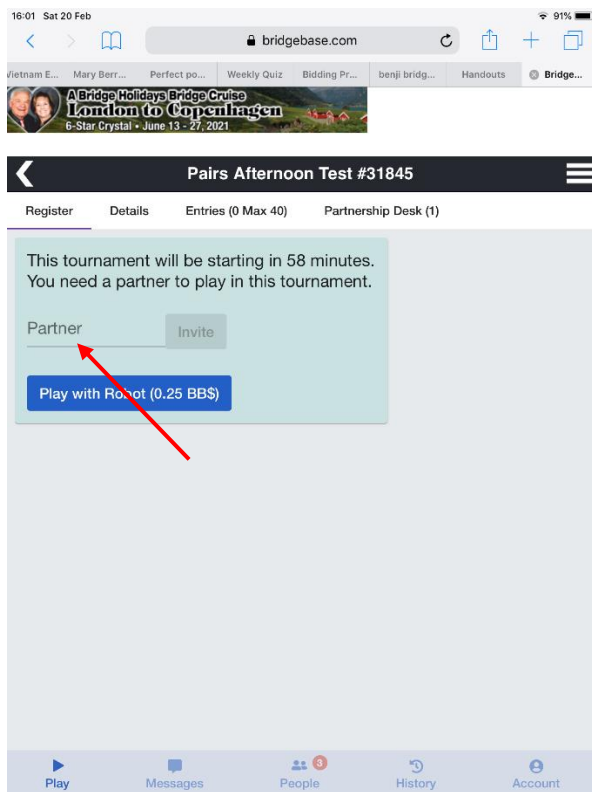

3. Click where it says Search. Type in CCBC2019.

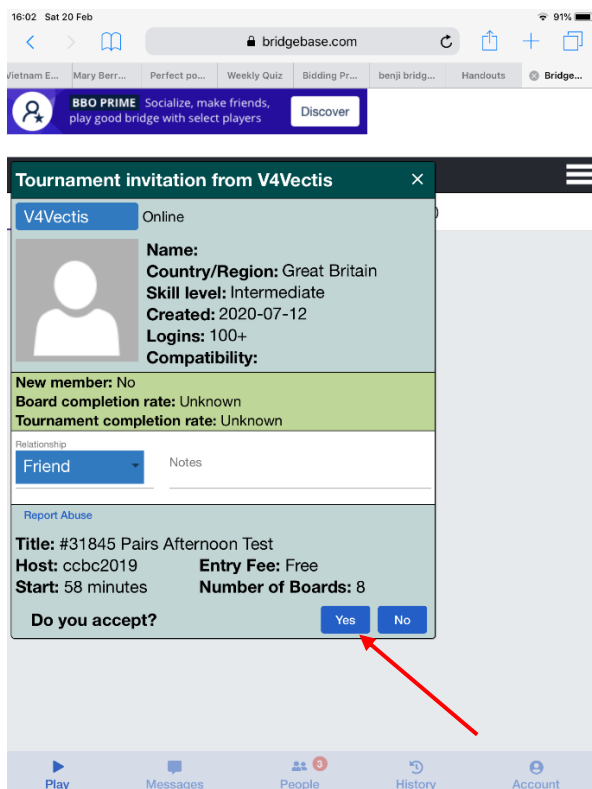

4. As you type **CCBC2019** into the search box, the tournament will appear. Click on the title.

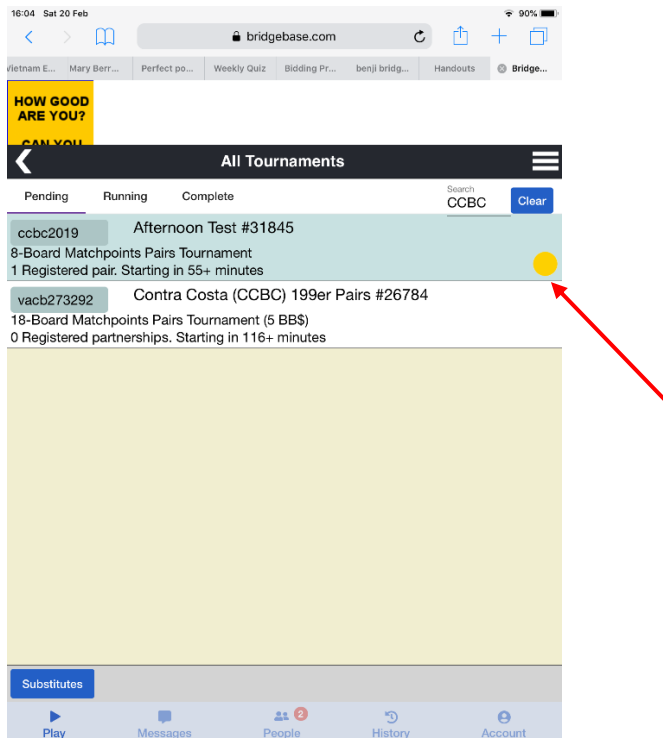

5. When the following screen appears, IF YOU KNOW THAT YOUR PARTNER IS ONLINE, type your partners username where it says 'Partner' and click Invite. **Only one of the pair needs to issue the invite.**

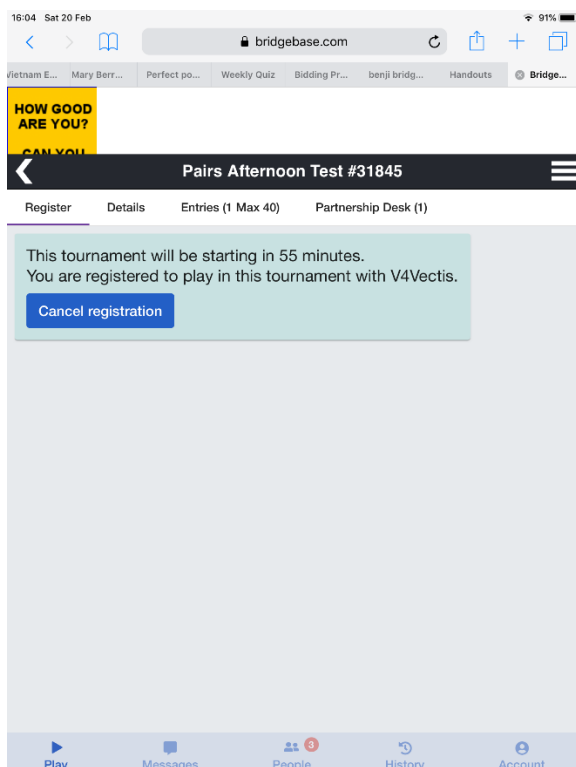

6. The other player will see this message pop up and they must click 'Yes' immediately.

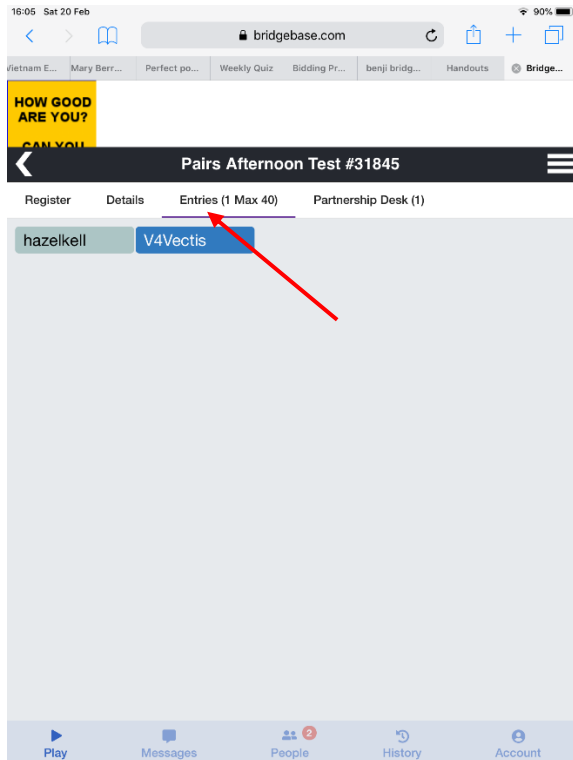

7. For both players, there will now be a yellow circle on the box with the tournament details. Click on the yellow circle.

8. The following message will appear and there will be a count down until the tournament starts.

9. To check that you have registered click on **Entries**. If your username appears on the list alongside your partner's username you have successfully registered for the tournament. If your usernames do not appear go back to Step 4 and try again.

This screen shot only shows that 1 pair have entered. As the start time of the tournament gets closer, many more entries will be shown.

NB If either you or your partner are offline when the play starts, you will be excluded from the table layout. If two players from different pairs are missing both pairs will be excluded from the tournament altogether.
