Improvement Trophy

This will be awarded to the member who makes the greatest improvement over the calendar year. Improvement will be measured by the change in the member's moving average from the Personal Summary page on the CCBC website between 1st January and 31st December. In order to qualify for this award players must play at least 12 sessions, the first being before 1st April. Only members with an average of 46 percent or below on 1st January will be eligible to participate.
