

Team Competition

(October 2021 – May 2022)

Thank you to everyone who took part in the team competition. It has been played in a competitive but friendly spirit. It was an extremely close finish with only one point separating the top two teams.

Congratulations to **BridgeMates** for winning but a special mention to **Three Queens and a Knave** who were the only team to win all their matches.

Many thanks to Tim for masterminding the whole event.
