

# TRICKS & TREATS

Standby Chairman - Mary Bostick

January 1995

Vol. XII, No. 8

## GNT QUALIFYING BEGINS

January and February are qualifying months for the Grand National Team competition. Get your foursome together and join this stratified game. Good points and great practice for the Regional. The top 50% of the field in each stratum qualifies for Unit play. You can play at the Club level as many times as you want.

## JANUARY CALENDAR OF EVENTS

| Sunday                                        | Monday                                    | Tuesday                                        | Wednesday                                                                                                                                       | Thursday | Friday                              | Saturday                                    |
