

CORBRIDGE BRIDGE CLUB

NEWSLETTER AUGUST 2021

Dear Friends

I hope you are all keeping well.

Your committee has held another meeting to discuss the arrangements necessary to ensure the safe return of Corbridge Bridge Club. With the ever-changing situation it is difficult to make definitive arrangements. However, you can be assured that we will be working extremely hard to minimise the element of risk involved with face-to-face bridge. We are tentatively aiming to restart play in the Parish Hall on Monday 20th September. If that proves possible, we would then hold the Annual General Meeting on Monday 11th October. At the AGM we will need to elect some new committee members. In particular, we are seeking a Secretary and a Treasurer. We earnestly request you to consider volunteering for one of these roles. Adrian Andrews has agreed to stand for election as President together with our experienced committee members, Joyce, Maeve, Mandy and Peggy. Please offer your services as we wish to keep our lovely, friendly club functioning well. Just phone me on 01434 633447 for more details and make my day!

Our next committee meeting will be on the 23rd August. To help us plan efficiently, we will need to find the level of interest both for Duplicate and Chicago. We will therefore contact you prior to that meeting, when the Covid-19 situation may be a little clearer, to find if you plan to return. Initially the Club will meet as before on a Monday evening for duplicate, with a vote being taken at the AGM as to whether the timing should be changed.

We are very proud of our friendly club here in Corbridge and are determined to give all our members an enjoyable time when we return to the tables. Your support and membership are greatly appreciated.

With all good wishes,

April (President).
