Dear fellow members,

**RE: Horley Bridge Club at the Hydro**

**Friday, April 26- Sunday, Apr 28 2019**

Several Crawley members took up the offer to join Horley Bridge Club at their bridge weekend at the Hydro Hotel in Eastbourne last April. A good time was had by all!

We are now invited to join them again (and several HBC members will meanwhile attend our own joint weekend with Church Hill BC at the same location this November).

So please encourage your bridge partner(s) to join you at what promises to be another enjoyable weekend by the sea. The Hydro management and staff take good care of us and this year's prices are virtually unchanged (see attached booking form).

I look forward to hearing from you. And will be able to provide paper versions of booking form later in the month – for anyone needing this option.

Best regards,

Mike Eaton
