

Name	Purpose and Example
<u>Limit Plus Raise</u>	<p>A bid in opponent's bid or implied suit</p> <p>Example: 1S - (2H) - 3H</p>
<u>Western Cuebid</u>	<p>Asking partner to consider 3 Notrump with a stopper, often used at the 3 level.</p> <p>Example: (2H) - 2S - (P) - 3H Here, 3H denies stopper</p>
<u>Eastern Cuebid</u>	<p>Showing partner a stopper</p> <p>Example: (2H) - 2S - (P) - 3H Here, 3H shows stopper</p>
<u>Control Showing</u>	<p>A bid showing first or second round of controls, as Aces & Kings</p> <p>Example: 1H - 3H; 3S 3S shows the Spade Ace</p>
<u>Michaels Cuebid</u>	<p>A bid showing two long suits, usually 5+ cards</p> <p>Example: (1H) - 2H 2H shows black suits</p>
<u>Splinter Bids</u>	<p>A bid showing shortness in suit bid</p> <p>Example: 1S - 4D 4D shows singleton/void</p>
<u>Choice of Game Cuebid</u>	<p>A cuebid by opener over opponent's intervening preemptive bid requesting partner to choose game between either bid suit. If responder chooses one suit and opener then bids the other suit, opener is showing interest in slam.</p> <p>Example: 1H - (3D) - 3S - (P); 4D 4D requests partner to choose between the majors</p>
<u>All Purpose</u>	<p>A generalized cuebid quering partner for further information</p> <p>Example: 1C - (1H) - X - (P); 2H 2H shows additional values, querying doubling responder for additional information.</p>
<u>Tops and Bottoms Cuebid</u>	<p>A cuebid of opponents' 1 level opening bid, indicating a two-suited hand - specifically the top and bottom (highest and lowest) remaining suits</p> <p>Example: (1H) - 2H Shows precisely Spades and Clubs (unlike Michael's Cuebid, playing Tops and Bottoms the lowest unbid suit is always "anchored").</p>
