

PROPOSED CHANGE TO DMBC BYLAWS

BACKGROUND

The number of game directors in our club is limited. With vacations, health issues, etc., it has been a challenge to make sure that we have a game director assigned to every game.

Our current Bylaws prohibit any member of the Board from serving on the Board AND being compensated as a game director. Currently, we have at least one qualified game director serving on the Board who is willing to direct our games. The Board has approved this amendment, but it requires a vote by the membership for the Bylaws to be amended.

We request that you carefully review this request and be prepared to vote on this change at the Annual Meeting to be held on Wednesday, November 11th at 12:45.

If you are interested in reading the complete Bylaws, you can find them on the website.
