EAST DELTA HALL

While Elgin Hall is being renovated, East Delta Hall will be our new site beginning in September, 2017. We appreciate that it will be a longer drive to East Delta Hall for most of our players. Your volunteers searched our entire community for a closer solution. It was a challenge to find a venue that met all our requirements and East Delta Hall was the location which best met our needs (size, parking, storage, rental costs, etc).

We hope that you will make an extra effort to support the club and enjoy your games with Duplicate Lite at East Delta Hall. We will try our best to continue to offer friendly games, lessons, and special games while our current home at Elgin Hall is being transformed. The renovation is expected to take at least four months.

Our first game will be Wednesday Sept 6. All games on Wednesdays and Thursdays will be at the regular times except for special events.

SPECIAL SEPTEMBER PROGRAM

An exciting program is being planned for this September to welcome all of you! We also wish to include the Delta Community. One of the highlights will be a special event, the FALL BRIDGE BARN BURNER game scheduled for September 27th.

Activities include:

1. Wednesday, September 13th - A free lesson for *beginning players* from 9:30 - 11:30 am.

2. Wednesday, September 20th - A free lesson for *social players* - "Introduction to Friendly Duplicate Bridge" from 9:30-11:30 am.

3. Wednesday, September 27th - The **FALL FARMING BRIDGE BARN BURNER** event beginning at 11:45 am and wrapping up a 5:00 pm (approx)

This fun game is intended to: welcome current and new players, dress up in our "farming" attire, earn extra Master Points, enjoy a pre-game lunch, and generally get acquainted with our new location.

Everyone is encouraged to begin thinking about casual blue jeans attire/overalls for this event and to bring a barn burning outlook for the day! There will be door prizes, awards for best farming attire, a short "hoe down" to rev up your brain power and a pre game lunch. It is anticipated that we will have famous farmer as our Master of Ceremonies! More details to follow.

Please plan for an early arrival for lunch -11:45 am and for a late departure - 5 pm (approximately)

Game time will be 12:30. Cost is \$8 plus sign up for food item OR \$15 for game and lunch.

SUMMER WISHES
