

Hi Duplicate Lite Enthusiats,

Our table counts are up at all our games. The lesson program is a remarkable success and our Monday game is growing - we are able to offer 2 sections!

If you know of anyone who is just learning the game we have just the right program for them starting this Monday, April 29, from 10:30-12:30. It is designed for players who know a little about the game and would like to learn more. Pls pass on this information. Registration is not necessary. We will continue the program as long as we have players who are interested.

Please note that we are open next week April 29 – May 2 and closed May 6-9 for the Canadian National Championships which includes Regional events for new, advancing and experienced players!

Our **Duplicate Lite day is Wednesday, May 8th** ! Delta Hotels Burnaby Covention Centre, 4331 Dominion St, Burnaby. Hope you can join us, wear something red, bring some baking if you can. The baking must be wrapped individually. We will have hats, bags of goodies, and decorations. We hope that we will have enough of our players to host each table and offer our great hospitality to all players. Included as an attachment is the flier for the Nationals. You are also invited to the hospitality room after the afternoon event for some refreshments (no host bar). There will be a special presentation for one of our players in the hospitality room.

Lesson programs are on next week
