New Possibilities on Thursdays!

Councillor Linda Annis Visit

We had a very productive visit with Surrey Councillor Linda Annis. We met with Linda to discuss possible ways that the city could provide greater support for our clubs. She encouraged us to apply for city grants, a task that the ever-generous Linda Palm will take on (along with her many other volunteer roles!). Councillor Annis is also exploring ways to give our club more visibility through Parks & Recreation marketing.

A big thank you to all who wore your name tags and welcomed her warmly, especially the early birds! And Thank you to Kip Leith for setting up the meeting!
