

Subject: ? September Club Newsletter: New Games, Extra Points & More!

Dear Members,

Welcome to our September Club News! Here's what's happening this month:

1. Thursday Games Just Got Better - Starting Sept 11

Thursdays now have two sections:

- 0-299 section
- Open section

Game time: 10:15 AM

If the open section has ever felt a bit intimidating, now's your chance to join the Thursday fun in a more comfortable setting. Please support this new game so we can keep it going!

2. Helping Our Directors (and Everyone Else!)

Directors are the unsung heroes of our club. They receive only a small stipend and volunteer much of their time, so let's make their job easier:

Arrive 10-15 minutes early. Last-minute changes delay the game.

- Running late? Call:
 - Bob: 778-238-9620
 - Ed: 604-317-7156

Make opening lead before entering scores on your scorecard & in the Bridgemate, it keeps things moving.

Double-check your scores before confirming. It saves time and avoids messy corrections later.

Small courtesies = smoother games for everyone.

3. Need a Partner? We've Got You Covered!

Roger Annis has kindly offered to keep a partner list. To join, send your email and phone number to Roger at rogerbridge200@gmail.com By doing so, you agree to share your info with others on the list.

We'll also be offering a short demo before games on how to use the club website to find a partner.

4. Extra Points are Coming!

Special games with extra points are scheduled from time to time. Visit our club website for the details.

5. Annual general meeting Thursday, September 4 after the game.

A chance to share your ideas and listen to others on how to improve this great club. No danger of being elected.

6. Join Greater Vancouver Bridge Club for an Open Pairs Game and Interclub Social and Potluck
