

FAST TRACK COURSE IN BRIDGE

The course aims to take you to a basic standard of bridge in just 10 lessons. Short self-study exercises (in both digital and printed format) will be provided for use at home to aid the learning in lessons. The teaching is mainly practically based with card-based exercises, interspersed with short expositions. Individual guidance during the lesson will be given. There will be one or more helpers in addition to the teacher. The Fast Track course is designed for people who are not able to attend a weekday daytime course and wish to have a shorter course. This shorter course is achieved by having a faster pace and making available some self study materials to use between lessons.

Cost: £80 for 10 lessons. Full time students pay £40. Handouts and links to digital resources will be made available, so a course book is optional. Refund after lesson 1 if not satisfied. For anyone with some prior playing experience, we could offer starting at Lesson 2 for a reduced fee of £72 (but most people like to be in at the beginning)

Time: 10 lessons on **Saturday** morning 10.00 – 12.30, starting **11th January** and ending on the **14th March**. Includes a short refreshment break with free drink and biscuits.

Location: Eastbourne Bridge Club in Wish Road BN214NX

Tutors: Stuart Barker, Glenda Pelling.
