The home captain should contact the opponents' captain to offer a choice of dates and discuss where and how the match will be played. I hope teams will do an effort to play matches F2F. In that case the home team is responsible, in principle, for arranging the venue and refreshments. If F2F is not an option, teams should agree which online platform the match will be played on. Play may be on any day of the week, at any time of day.

Again, I However, don't wait to the last minute to fix your games, they can be played well in advance of the due date.

Results must be emailed to mpdeschepper@yahoo.com by the captain of the winning team. The email must include the IMP scoring and ALL the names of the players of BOTH teams playing that day.
