**All Captains!** Please don't wait to the last minute to fix your games. If it is impossible to play a game by the due date (other than 30<sup>th</sup> April which must be observed), inform the Organiser and arrange to complete the fixture on the earliest date possible. Don't let a fixture pile-up develop.

The Home captain should contact the opponents' captain to offer a choice of dates. Play may be on any day of the week and at any time of day that teams find convenient. For many players afternoons suit them best. Although a month is allowed for each round, you may play earlier if convenient.
