The home captain should contact the opponents' captain to offer a choice of dates. Play may be on any day of the week, at any time of day and on any on-line platform that both teams find convenient. If both captains agree, play can be arranged face-to-face, usually at a venue to be organised by the home team. You have 6 weeks for each game. This should be plenty of time. However, don't wait to the last minute to fix your games. Games can be played well in advance of the due date.

Results must be emailed to mpdeschepper@yahoo.com by the captain of the winning team. The email must include the IMP scoring and ALL the names of the players of BOTH teams playing that day.
