**EBU\_8 EBS RELAXED SUPPORTED DUPLICATE**
- Click on the title, enter your partner's BBO username and click 'Invite' (*Note that if your partner has already registered and invited you, you will get an 'Accept Invitation' request instead. Accept it!!*)
- Wait until 2pm and provided you and your partner are still both online, you will both be seated at a table and play can commence
- If you have trouble registering please call **Jacks Morcombe 07391 128762** as soon as possible
- Please register in good time before the event starts in order for us help you with any issues

## Notes :

- We are playing in a gentle and relaxed session with players new to both bridge and online games - please ensure everyone is treated with compassion and understanding
- Quickly introduce yourselves at the beginning of each round by using chat to 'table', as many usernames differ from real names
- If you click on the incorrect bid or play ask for an 'undo' by clicking on the 'blue hamburger' (*3 lines – icon top left of the playing screen*)
- If you have any questions, please call the director (blue hamburger again) who will be on hand to help you
- Try to alert all bids that your partner would alert or announce face to face if you can (but remember 'Be Gentle' - this is a learning curve for us all)
- The time left on any board is shown in the top left of your screen, we will be playing 10 minutes per board. If you have not finished, BBO will move onto the next round and award an adjusted score. Don't worry if this happens to you, carry on and we will assess the time allocated to each board for future events
- Remember to call the director sooner rather than later if things seem to be going wrong or if you need help
- Most of all enjoy your bridge .....
- Please join us in a post session discussion where we can discuss any BBO issues and take a brief look at the hands
- Click on the following link at 4pm Wed and Fri
