Your table is highlighted in yellow but you can view the action at any table by clicking on the 'play' button.

Use the navigation buttons as shown above and select a hand to review by clicking the 'play' button.

Play it Again!!

You can view this hand and play it again in your favourite "Play it Again!!" software. There are a number of software packages available to do this. **Please see the Guide for further details.**

Simply, click the appropriate button and follow the instructions.

- [PC] - Create a file to open directly in the "Play it Again!!" software installed on your PC. You will need to click, usually, [Open] and then the software will display.
- [BSOL] - Use Bridge Solver Online to analyse winning lines of play interactively on any PC, Mac, smartphone, or tablet. This opens immediately in this Window.
- [BBO] - Use the BBO Viewer to analyse your hands. This opens immediately in this Window.

Bridgewebs will remember the Viewer after the first time, click [Switch Viewer] to return here and use a different viewer.

Hint: If this screen is blank, 'Switch Viewer' to Bridge Solver Online. (This is less likely to be blocked by pop-up blockers).

In the Bridge Solver Online viewer, you can check what contracts were makeable and even swap some cards around and recheck. Useful for determining if the contract wasn't wholly dependent on you dropping that singleton King!
