

## ESSEX BRIDGE LEAGUES 2019-2020

To all league captains

We have twenty teams this season. The league will consist of three divisions, seven teams in divisions 1&2, six in division 3. For the first time the league will be county wide. This will mean that you will get a fixture or two that involves a longer journey than normal. If this is the case then the fixture may be played at a neutral venue. Most clubs in the centre of the county are able to accommodate an extra two tables. If this happens the table money will be divided between the two teams, please see page 2.

All captains now need to do the following:

Check that your details are correct as shown on page 2.

Acknowledge that you have received this email.

Go to the Essex website and enter the league as if you are entering any other Essex competition. Make a payment of £20 to ECBA either by cheque and sent to Linda Fleet or by BACS.

Once all teams have entered I will create the divisions on the EBU website. You will receive an email when this is done. You will then need to go to your own personal MyEBU click on "Utilities" and then click "Leagues". You then need to enter your EBU number and those of your team mates,
