

## Essex Tollemache Cup Squad 2023

The ECBA Selection Committee has decided to make early preparation to form our squad for this event. Three pairs have been pre-selected and a further 2 or 3 pairs from a short list will be added no later than the end of August. Selection will be based on form and/or experience at the appropriate level.

All the above players have been sent an invitation to participate in practice sessions scored by IMP. Details have been sent to all concerned.
