WELCOME TO YOUR OWN LOCAL BRIDGE CLUB AT BCL

Please read carefully a few helpful steps
to ensure you enjoy your experience here

STEP 1

At session start time your Club opens and your Tourney will begin 10 minutes later.

Refresh all the time and when the Club
Tourney turns blue click to enter soonest.

Or to play in the Social Room (just click it).

STEP 2

Now click on a seat at lowest No. table providing the seat opposite is vacant.

Tell partner to sit opposite you. **N** or **E** will now set up your **SSD** & **S** or **W** will **Accept** or **Decline** it to make changes.

STEP 3

You and your partner are now ready to play so just wait and be patient please. (Note: You may be set to 'Lurk' between rounds). **NEVER** try to move yourself as the movement is fully **AUTOMATIC**.

JUST A FINAL THOUGHT!

Please be patient when you are waiting to play the next round as not all players play as fast as you do and your next opps or the table may not be ready for you yet!

Most importantly.....**PLAY & ENJOY**
