

THOMOND AND DESMOND CUPS

The above cups will be incorporated into the teams competition in the upcoming Cork Congress on Sunday 25th January 2026.

The Thomond Cup is the Masters Cup and the Desmond Cup is the Intermediate Cup.

As these Cups are Munster Cups, the winners must all be from Munster, i.e. South Munster Region, North Munster Region and Waterford.

We are hoping to have the Masters and the Intermediate teams competition played separately but this will depend on the entries received.
