The masterpoint awards are 50% red, 50% black!

Embrace Bridge on the Weekend with POP-UP Events

Revitalize your weekend games. Spice them up with new POP-UP events!
POP-UPS are special games that can be held at face-to-face.

The masterpoint awards are 50% red, 50% black!

POP-UPS are not ACBL-wide games, so you'll be having fun with fellow club members only.

We know you'll be eager to see your masterpoint awards in Live for Clubs, but there may be a delay in showing properly pigmented points due to necessary processing by ACBL's Masterpoint Engine. When the results post to your club's page, you'll see the half red.

Our club is proud to offer members all Face-to-Face POP-UP games.
