MARITIME UNITS RECOGNIZE CONTRIBUTION

Prior to the turn of the century, our two Units each looked after their own supplies, tables and transportation of same. They made arrangements to share tables at the annual Can-At Regional. Most of the work of organizing and maintaining supplies fell to local dedicated volunteers.

After the Charlottetown Sectional in 1999, the tables were shipped to Bathurst by transport truck as the next Unit 230 Sectional was to be held in Bathurst. The bill for this transportation was \$1000 (a whopping amount in those days particularly when the entry was \$5 per session). Coincidentally, at about this time, Bryan Rapson's health began to deteriorate. Bryan had been meticulously looking after Unit 194 supplies and tables religiously for the past three decades. He stored the supplies and tables in his Dartmouth home and even repaired any table that failed to pass his careful scrutiny. Bryan's efforts were formally recognized post-humously by ACBL District 1 in 2016 when he received the George Retek Award for meritorious service and dedication to Maritime Bridge.

These events resulted in a search for someone who would look after the storage and maintenance of supplies and tables for both units.

Enter Mr Ron Duplisea of Long Reach, New Brunswick, a small, rural community on the Kingston Peninsula, not far from Saint John. An agreement was struck and so began a mutually successful and harmonious relationship.

Ron is one of our top players, a Sapphire Life Master with over 3500 master points, and needless to say, a regular player at all of our tournaments. He is a bridge teacher and runs a successful bridge club that meets weekly in Saint John.

In late 2016, Ron notified both Units of his intention to retire at the end of 2017. This allowed our Units reasonable time to find a suitable replacement.

At the Halifax Fall Sectional in November, the Units formally celebrated Ron's dedication and contribution over the past seventeen years. (This was announced erroneously as twenty-seven years by an innumerate, retired Mathematics teacher who shall remain unnamed). Ron was presented with a Certificate of Appreciation by Unit 194 President, Lydia Prange, and received a much-deserved standing ovation by the crowd of over two hundred bridge players present. The Certificate was accompanied by free entries to all tournaments in Units 194 and 230 for the calendar year 2018.

During Ron's seventeen year tenure he has never let us down regardless of weather, breakdowns or personal health considerations. The supplies were kept in order and he always arrived in time to have the playing area ready for business on the first afternoon. Often, he carried passengers who, in turn, helped unload and set up the tables on Friday and takedown and reload the trailer at tournaments end on Sunday.

He kept a positive frame of mind even when there were challenging moments during the approximately 200 tournaments that he serviced during his tenure/

Ron.on behalf of all Maritime Bridge players. I extend our heartfelt appreciation and thanks for a job well done and wish you a happy, healthy future and success in all your future bridge endeavors. You truly deserve your retirement! ☺☺☺☺☺☺☺☺

REMINDER TO ALL PLAYERS SCENT FREE POLICY

Because of allergies, we have had increasing complaints by players who are placed under stress because some of our players (both male and female) are wearing perfumes, aftershave lotions and other scents in the playing area.

Units 194 and 230 have adopted a scent-free policy and it has been in effect for several years. This is a very difficult policy to enforce. We have been hoping for voluntary compliance but there are still those who are either not aware of the policy or choose to disregard it.

It is essential that we all cooperate with this scent-free policy so that all of our players can enjoy a stress free environment in which to play our favorite game. Directors will be addressing this problem on an individual basis. Please do not be offended if you are an offender as a Director will be following up on complaints.

Please help us eliminate this problem.

A THANK-YOU TO ALL OUR PLAYERS

I cannot thank all of our tournament players enough for cooperating with me in solving a problem that was really out of control at our sectionals.

At the Spud Island Sectional last October I asked our players if we could try a slight change in our scoring procedure in an attempt to reduce the number of score corrections which were literally inundating us. Here it is:

After each hand North enters the score, passes the Bridgmate to East who visually checks the score, passes the Bridgmate to South who visually checks the score and passes it to West who checks it and okays it. This process sounds unwieldy and unnecessary but I can assure you that it only takes a few seconds and the results were both immediate and astounding. We've effectively eliminated score corrections. My sincere thanks to you all and please try to bring on board the reluctant few who can always find an excuse for not contributing to the greater good. 😊😊😊😊😊😊

DISTRICT DIRECTOR'S REPORT - Winter 2017 **Bridge in Paradise (with apologies to Honolulu)**

The Fall NABC was held in San Diego, a city that has one of the best year-round climates in the world. This proved to be true with temperatures in the mid 20s (early in the week) and no rain. The Hyatt is a beautiful 1st class hotel with great playing conditions (lots of playing space all in one building and great lighting). The area had lots of nearby restaurants and other attractions, and public transportation (inc the Free Ride) was excellent. The tournament was well run, with excellent hospitality (with lots of food). Attendance was higher than estimated. Table count was 11,745 tables, 2% higher than the 11,500 budgeted. The Board meetings ran from Monday to Friday, (with some days running as late as 6 pm). We continued to work on improving our efficiency and looking for Board priorities and improvements for the future, reviewing our CEO's 10 Big Ideas and prioritizing them. We continue to be impressed with the knowledge and enthusiasm of our new CEO Bahar Gidwani, who has already begun to work on how to improve ACBL in the future.

At the end of this report, I am listing the top Master point winners of District 1 players at the NABC.

After the report I am including a bridge article which I wrote. I am still looking for bridge article contributors. All I ask is that it be approximately one page long and that it be done in Word. Next one would be needed for my report after the Philadelphia NABC which will be in March.

Highlights of the San Diego Board of Directors Meetings

Jay Whipple was elected ACBL President for 2018 and I wish him well. I'm hoping that he or Board Chair (and Past President) Bob Heller will visit one of our Regionals in 2018. More on that in my next report

- **Membership** is down 567 from the December 2016 total. There were 9452 new members in the 1st 10 months of 2017. Revenue was up 3% from the fees increase. 30% of renewals were at the new 3-year rate.
- **San Diego:** table count was 2% higher than the 11.500 forecasted.

- **Total tournament tables** increased by 2%.
- **Club Table count:** Table count for the year to date is down 4%. On-Line table count is up 5%.
- **Information Technology:** Certification system for scoring programs was launched. It should have an engine done in 1Q that will allow accepting game files from clubs from a wide range of scoring programs other than ACBL score.
Testing new tournament software has started.
New Customer Relationship Management (CRM) system has been installed and all member and club information has been moved into it. Over the next six months, processing from the AS400 will be moved into this new system. They hope to shut down the AS400 this year.
New General Ledger system has been installed. This system should allow faster handling of transactions and more sophisticated budget analysis and forecasting. All Canadian transactions can now be made in Canadian dollars. Clubs and tournaments can pay fees in \$C. TDs are paid in \$C (so tournament committees can budget all in \$C).
- **Finance:** Through October, expenses were \$400K below budget and Revenue was up \$95K. Membership Revenue was up due to increase in fees, but down vs budget. ACBL expenses will be able to be paid in \$ Can. at the rate of 1.24.
- **The Longest Day:** This will be held in June.

Actions and Motions approved at the San Diego Board of Directors Meetings:

- Jay Whipple is ACBL President for 2018.
- Georgia Heth and Howard Weinstein were re-elected as WBF Reps.
- Robot Individual Tournaments before each NABC were approved.
- Drop-ins from the Spingold QFs to 2nd day of the Roth Swiss are now allowed, with no Carry-over. They play each other 1st round, and get total MPs earned (but only 5/7 of Roth since they play 1 day less).
- Electronic device policy for NABCs will apply all Regionals but not sectionals.
- Soloway KO and its CoCs approved. There will be 2-day Swiss with top 32 going into KO (mostly based on position in the Swiss). Starts 1st Friday and ends 2nd Thursday of Fall NABC.
- New convention charts deferred to Philadelphia.
- Swisses that have a Gold Rush(GR) Pairs on same day will get credit for the GR tables.
- Pre-2010 Life Master MP requirement will be allowed for lapsed members (free if they rejoin before July 2018, \$50 fee if after)
- New 1-month temporary membership \$8, for new members. To play in sectionals new players will have to have a temporary membership.
- Mini-Blue Ribbons now 0-6000.
- All NABC Mixed teams may have only 2 men or 2 women, but at all times there must be mixed pairs at the table

- Paperless Board meetings are being pushed, so the Journal and Motions will eventually only be sent electronically.
- Board meetings will be shorter (this one was a full 5 days) and will be 3-3.5 days and will finish before the 1st NABC+ Event starts.
1st reading of Bylaw change to remove Board Oversight Committee, without a replacement mechanism was approved.
1st reading of bylaw amendment to replace Treasurer by Chair of Finance Committee on Executive Committee (with no vote) was approved.
Term limits passed: 4 terms starting January 2019 (with grandfathering)
District Director or BoG Chair may no longer be NABC Tournament chair.
- Regionals at Sea get 80% MPs.
- Reconsideration of how WBF dues are paid defeated

The National Finals will be held at the Atlanta NABC. Bridge on the 31st Floor

Sometimes interesting hands can come along in the most unusual places and times. This one arrived in the ACBL President's Suite after a gruelling 9-hour day of Board of Directors meetings. I was playing in a short team match with a District Director (DD) from New York against DDs representing the West. My teammates, also from the East, were world class players including a player who represented the US in the Venice Cup.

After an auction in which East made a weak jump overcall of 3C, you arrive at the contract of 6♠ by South. How do you play this hand after the lead of the ♣J? You don't have a lot of time to think about it at the table.

Contract: 6♠ South

Lead: ♣J

| | | |
|---|---|--|
| ♠ Q 9 x ♥ J 10 x x ♦ 10 9 x ♣ J 10 x | ♠ K 10 ♥ A K Q x x x ♦ A K x x ♣ x ♠ A J 8 7 x x ♥ x x ♦ x x x ♣ A x | ♠ x x ♥ x ♦ Q J x ♣ K Q x x x x x |
|---|---|--|

There are a few options after you win the ♣A:

- a) Trump a Club, cash the ♠K (everyone shows in), try to cash 3 Hearts (pitching the losing diamond), get back to hand and pull trumps, perhaps losing to the ♠Q.
- b) Take an immediate finesse of the ♠10.
- c) Cash ♠K, ♠A (and if the ♠Q falls, the ♠J), and if not try to cash 3 Hearts discarding the Club. Then get back to hand by ruffing a Heart (setting up a Heart for a Diamond discard).

Considerations:

- 1) East is likely to have shortness (he has 6 or 7 Clubs).
- 2) You have little chance if trumps are not split 3-2.
- 3) Hearts may be 4-1.

Analysis of the options:

- a) East may have Heart shortness, and could trump the 2nd Heart, and you would lose to West's ♠Qxx.
- b) If this loses, back would come a Club, and declarer could not get off dummy, if East has 2 trumps.
- c) It would work as long as the person with 3 trumps has 2 Hearts

This hand was given to a number of excellent players and only 1 picked c).

Clubs were not bid or led at the other table, so 6♠ made easily.

I tried a) and went down when East ruffed the 2nd Heart and West had Qxx of trumps. My partner would have tried b) and made 7. Spade finesse, cash ♠K, cash 3 Hearts pitching Club, trump a Heart (setting up 5th Heart for a Diamond discard). Pull the last trump and get to dummy with a Diamond, to discard the losing Diamond.

c) appears to be the best choice. The Club lead has created the illusion of the need to trump a Club.
