

Directions on how to access the Wednesday and Sunday club games on BBO

- Type **bridgebase.com** into your internet browser and click on the red "**Login/Register**" button and register your account with a username and password. The username will become your BBO name.
- You should be prompted to fund your account with a credit card.
- Go back to the home page if you aren't directed there and click on the red, "**Login/Register**" or "**Play Bridge Now**" button.
- In the green "**Featured**" area, click on "**Virtual Clubs**"
- Then click on "**ACBL-North America**".
- Scroll through the options until you find "**Pairs North Florida Consortium**" and click on that.
- Either you or your partner then will need to invite the other using their partner's BBO username in the designated box. The partner being invited will need to accept the invitation.
- You're all set! Just sit tight until the game starts. Your screen will clear and the first board will come up.
