

This year's winner is Rosemary Cope. (As the winner of the Don Lucas Cup is not present, it will be presented at the next Club meeting.)

10. CHRISTMAS PARTY 2019

The Chairman had previously asked members for suggestions for an alternative format from the usual American supper. Two had been received – a Chinese take-away or a fish and chip supper. Members were asked to vote for either of these suggestions or for the American supper, and the membership voted to retain the American supper .

11. PROGRAMME FOR 2020

No changes were proposed, and the two competitions will continue as usual.

12. CHARITY NOMINATION 2020

The charity which has been nominated is the Air Ambulance.

13. A.O.B.

Maggie Matthews raised the point that lesser known charities would never be voted for (her charity is Homestart). Keith Stait suggested that a month prior to the AGM, a nomination slip is given to members, to be given in to the Club Secretary two weeks before the AGM, and from that list, four charities to be voted for on the night.

Date of the next AGM – 5th October, 2020
