

**Midlands No Fear
9-High Online Swiss Teams
Saturday 29th January 2022
2.00 pm Start
£8.00 per team entry fee**

Start the year by representing your County in this relaxed and enjoyable, yet competitive, Swiss Teams event. Entries will be limited to those pairs with a combined NGS of 9 or less, so ensuring that you will only meet teams of roughly your own ability.

This event, on 29th January, will be run on RealBridge, giving players the opportunity of seeing and talking with their partners and opponents and also, at the end of each match, with their teammates. There will be pair, team and also county rankings published on the Midland Counties Congress website (<https://www.bridgewebs.com/midlandcc/>). This is an ideal opportunity to meet players outside your own county and to experience the excitement of doing so.

Gloucestershire entries by email to nofearst@gcba.org.uk, please, including names of all the team members, by Monday 24th January 2021, following which your county representative will give you payment details.
