The County Championship events (and the Staley Plate) which usually happen in the autumn are being delayed until the spring in the hope that we can run the events online in an environment which allows all our members to participate. Also active but organised on your own timetable

- *The (bi-)weekly Swiss Teams and 9-High Swiss Pairs will continue through this part of 2021 – with two series of each.*
- *The Cleverly Teams League is up and running – [details at its own webpage](#)*
