

# Midlands No Fear 8-High Swiss Teams

**Starting 14:00pm**

**Saturday 30th January**

**Run on Real Bridge**

On RealBridge you get to see and talk to your team-mates and opposition – it is as close to face-to-face as we can get.

This is a chance for players not usually so involved to support and represent your county in a relaxed playing environment. We are looking to widen the opportunities to represent Leicestershire and by limiting the competition to players at NGS8 and below we hope you have a comfortable game.

For Leicestershire entries by email please to Dave Pollard on [dpollardle23ad@hotmail.co.uk](mailto:dpollardle23ad@hotmail.co.uk) and the cost per team will be met by LCBA. Just let us know if you would like to play; we may be able to find team-mates for you.
