

Midlands No Fear
6-High Online Swiss Teams
Saturday 27th November 2021
2.00 pm Start
£8.00 per team entry fee

Following the success of, and feedback from, the recent restricted Swiss Teams series, the Midlands Counties decided to run another online series over winter.

The next event, on 27th November, will be 6-High. Once again, the event will be run on RealBridge, giving players the opportunity of seeing and talking with your partner and opponents and there will be pair, team and also county rankings. This is an ideal opportunity for those new to competitions with players outside their own county to experience the excitement of doing so and we would encourage those players to join in the fun!

Leicestershire entries by email to Dave Pollard on dpollardle23ad@hotmail.co.uk, please, including names of all the team members, by Monday 22nd November 2021. As before, LCBA will pay your entry fee.

This is the second series of events run by the Midlands Counties to widen the opportunities for representing their county to players of all standards. Following favourable feedback from the last series, the game is hosted on RealBridge.

We have given consideration to our desire to provide representative opportunities to as wide a range of players as possible. We plan to run two NGS-9-High events and two NGS-6-high ones.

For this event partnerships with an NGS of 6 or below at the time of entry are eligible (so a 5 and a 7 is fine. However, to check, please look up your and your partner's %age grade, add them together and make sure they don't come to more than 94). This restriction will again ensure that everyone has a comfortable game (which is also a feature of Swiss competitions). Please consider making up a foursome and coming along (if you need help with team-mates or if Swiss Teams is new to you, please just ask). County rankings will be decided on the basis of each county's three best team scores.

The competition will consist of around 25 boards, starting at 14.00 hrs on Saturday 27th November 2021.
